ORAL ORDER

2 23-01-2023 1. The petitioner prefers this writ petition, praying for
allowing him to join on the post of constable in terms of
appointment order dated 16.12.2006.

2. Learned counsel for the petitioner submits that the order passed on 16.12.2006 was withdrawn and the petitioner was conveyed vide letter dated 19.12.2008 that his appointment has been withheld on account of his educational qualifications which were examined by the superior authority.

3. Learned counsel for the petitioner submits that the petitioner has passed from Hindi Sahitya Samellan, Deoghar and the same ought to be considered as duly qualified .

4. I have considered the submission, the petitioner in

his writ petition has not challenged the order dated 19.12.2008. Even the appointment order issued to him was on 16.12.2006 and the writ petition has been preferred in 2013 and for seven years, he has not explained as to why he did not seek redressal of his grievance. Now, another candidates have passed by since filing of the writ petition and after more than 15 years, no direction can possibly be issued for appointing the petitioner on the post of constable more so as the qualifications required by the petitioner are in a cloud of doubt and the petitioner has not been able to prove that the qualifications are duly recognized.

5. The writ petition suffers from gross latches and delay and is accordingly dismissed.
