ORAL ORDER

- 2 17-02-2023 1. The petitioner had applied for the post of
Resource Teacher under Samaweshi Shiksha Scheme. He
challenges the order dated 07.11.2014, whereby his appointment
was not approved by the District Programme Officer after the
report of the committee to examine the record of the concerned
persons selected earlier. The committee found that the certificate
of CP-2 had not been filed. Although, the petitioner has placed
the degree of CP-2 on record dated 11.12.2014, the same has
been procured after the passing of the order dated 07.11.2014,

cancelling the appointment made earlier. In view thereof, the said certificate would not be right in favour of the petitioner.

2. The writ petition is accordingly dismissed.
