ORAL ORDER

5 16-02-2023

1. No one appears on behalf of the petitioner.

2. The petitioner by way of this writ petition has
prayed as under:

“A. A writ in the nature of MANDAMUS or any any
other appropriate writ/s, order/s, direction/s directing the
respondent authorities for the following:-

*1. The Respondent Authorities for grant
of permanent recognition to Sri Bhawani High
School, Jhakhra, which was established with the
donation of local public in the year 1979, the
permission for establishment was also granted by*

the Respondent Authorities and even though the institution in question fulfilling all the required norms and conditions for recognition but the Respondent Authorities denying recognition to the institution for no reason.

ii. The Respondent Authorities for recognition of said institution with all teaching and non-teaching employees working in the school after being appointed by the Managing Committee of the school in question.

B. To any other relief/s to which the petitioner is found entitled to.”

3. Respondents have filed their counter and it has been pointed out that earlier the Deputy Director, Education rejected the proposal of permission/recognition of Sri Bhawani High School, vide its order dated 30.11.2012. The said order was challenged by the father of the petitioner in **C.W.J.C. 18025 of 2012 (Birla Prasad Singh Vs. State of Bihar & Ors.)**, and this Court vide its order dated **08.01.2014**, directed him to approach the authorities. The authorities thereafter considered all the circumstances and facts of the case and again rejected the prayer for permission/recognition of the school vide its order dated 29.09.2014. The order of rejection has not been

challenged by the petitioner and the writ petition has been filed after a period of five years as a fresh petition.

4. Keeping in view the contentions set up by the respondents, it is apparent that the petitioner has withheld information from this Court while filing this present writ petition and also about the fact that after directions of this Court, the same was rejected in 2014 which is not a subject matter of challenge. The writ petition was filed after five years thereafter, without any explanation of the delay. In the aforesaid accounts, this Court does not find any merit in the case.

5. Accordingly, the writ petition is dismissed.
