CORAM: HONOURABLE MR. JUSTICE SATYAVRAT VERMA
ORAL ORDER

6 01-12-2023 1. Heard learned counsel for the petitioner and

learned APP for the State along with learned counsel for the O.P.

No. 2.

2. The learned counsel for the petitioner, after some
arguments, seeks permission to withdraw the quashing
application with liberty to raise all issues for seeking
maintenance under Section 125 Cr.P.C. as it has been submitted
by the learned counsel for the petitioner that in the present case
no doubt the maintenance amount was enhanced from Rs.
2,000/- to Rs. 3,000/- in a case which was filed under Protection
of Women from Domestic Violence Act, 2005 but then the

petitioner is not in a position to sustain herself with meager amount of Rs. 3,000/-. The learned counsel further submits that the petitioner will move before the learned appropriate forum for seeking maintenance under Section 125 Cr.P.C thus seeks permission to withdraw the present quashing application.

3. Permission is accorded.

4. Since the Court has not interfered with the order impugned in the present application, as such, by no stretch of imagination, it can be construed that the order by which the maintenance was enhanced by the learned Trial Court has been interfered by this Court.
