ORAL ORDER

2 24-02-2023 This criminal revision application has been filed against order dated 02.02.2017 passed in Maintenance Case No. 90(M) of 2010 by the Principal Judge, Family Court, Buxar whereby, the learned Principal Judge has directed the petitioner to pay Rs. 10,000/- per month to the opposite party No. 2 (wife of the petitioner) as maintenance allowance.

It is submitted by learned counsel for the petitioner that the petitioner works as a Compounder in Border Roads Organisation and he is earning only Rs. 10,000/- per month and is earning not so much as to pay the monthly maintenance allowance so fixed by the Court below.

Perusal of the impugned order demonstrates that

petitioner is an Army Personnel in the Indian Army and is getting more than Rs. 25,000/- per month as salary.

I have carefully perused the impugned order. The monthly maintenance allowance of Rs. 10,000/- per month to opposite party No. 2 (wife of the petitioner) in this age of high inflation cannot be said to be excessive or onerous.

In such circumstances, I am not inclined to interfere with the impugned order in the background of facts which have been mentioned in the impugned order.

I do not find any merit in this application. This criminal revision application is, accordingly, dismissed.
