ORAL ORDER

2 23-06-2023 The present writ petition has been filed
seeking the following relief:-

*"That this application is directed
to command the respondents for
payment of all death cum retiral dues
along with arrears of pension with
interest after granting benefit of A.C.P.
as some of the retrial benefit has been
given to the petitioner but the same
are meager and further direction be
issued to provide calculation chart."*

At the outset, the learned counsel for the respondent-State has referred to the counter affidavit filed in the present case, to submit that the entire death-cum-retiral dues of the deceased employee has already stood paid and the petitioner is also receiving regular pension with effect from the month of April 2006. The learned counsel for the petitioner has also referred to other sums of money paid to the petitioner/her deceased husband, which has been detailed in the counter affidavit filed in the present case.

Having regard to the facts and circumstances of the case and the stand taken by the respondents in the counter affidavit, filed in the present case, I deem it fit and proper to dispose off the present writ petition as having been rendered infructuous.
