ORAL ORDER

11 08-12-2023 Pursuant to the order dated 19.10.2023, Mr. Ashok Kumar Jha, Chief Engineer, Central Design Origination, Road Construction Department, Government of Bihar, Patna is present in the Court. They have taken a fresh decision through the Committee and they are of the view that petitioner had worked as Data Entry Operator against one of the sanctioned post, however, he is not entitled to regularization in view of the fact that he has worked for about six years and one of the condi-

tions stipulated in the case of **Secy., State of Karnataka and Others vs. Uma Devi** reported in **(2006) 4 SCC** that one has to work continuously for about ten years and, thereafter, other three conditions were required to be fulfilled. One of the criteria of ten years' continuous service as daily wager or ad hoc is not fulfilled by the petitioner.

2. In the result, the present petition stands disposed of as petitioner is not eligible to be regularized against one of the Data Entry Operator post.
