3. Both the learned counsel for the petitioner as also learned Special PP Mines jointly submitted that this case is also covered by order of co-ordinate Bench of this Court in the case of **M/s Uma Associates Vs The State of Bihar & Others** passed in **CWJC No. 3400 of 2023** and the relevant paragraphs no. 7 to 9 which are incorporated herein below:-

7. "Having heard learned counsel for the parties, the Court is not going into all the points which has been raised on behalf of the petitioner except the specific statement that no notice was issued to the petitioner prior to passing of the order of penalty, impugned herein. On perusal of the order contained in Letter no.514 dated 24.2.2023, it transpires that the same mentions about some inspection having been carried out by a Committee constituted in the Department on 12.3.2023 and 13.2.2023 and on the basis

of the report submitted by the Committee, the order of penalty impugned herein has been passed holding the petitioner to be liable to pay penalty of Rs.2,37,95,800/- with a further direction that the same should be paid within a period of 3 days.

8. On perusal of the said order, the Court does not find that either the inspection by the so called departmental team was carried out in presence of the petitioner, whether the copy of the inspection report was provided to the petitioner or that proper opportunity to show-cause was issued to the petitioner prior to passing the order of penalty. In view of these facts, in the opinion of the Court the order of penalty dated 24.2.2023 issued under the signature of the Mineral Development Officer, Rohtas, Sasaram, is not sustainable and is hereby quashed, with liberty to the respondents that if so advised, they will be at liberty to proceed afresh in accordance with law.

9. The writ application stands allowed with the above observations”

4. In the aforesaid background the letter no. 451 dated 21.03.2023 (Annexure-4) issued by the General Manager, Mineral Development Officer, Nawada stands quashed with

liberty to the respondent-authorities to act in accordance with law after putting the petitioner on notice.

5. Accordingly, the writ application stands disposed of.
