ORAL ORDER

4 29-04-2023 Learned counsel for the petitioner and counsel for the State present.

The present revision application has been filed for quashing of part of the order dated 12.06.2017 passed in Misc. Case No.426(M) of 2017 by the S.D.M.,Khagaria under Section 144 of Cr.P.C.

Counsel for petitioner submits that the petitioner is aggrieved only part of the observation that upon consideration, the matter is related to identification of measurement of land. But upon going through the order, it transpires to this Court that the actual observation is otherwise. It has been categorically

stated that the aggrieved person should move before the Court of Competent Jurisdiction on the basis of surroundings made in the documents.

In the opinion of the Court, it is the correct observation and there is no need of any interference therefore, this revision petition is dismissed. The observation made in the said revision shall not affect to the parties when either of them shall file the cases in compliance of the impugned order passed by the Court of S.D.M.,Khagaria.

With this direction, this criminal revision application is hereby dismissed.
