CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR SINGH
ORAL ORDER

2 03-08-2023 Heard learned counsel for the parties.

2. The petitioner apprehends his arrest in a case registered for the offence under Sections 302, 201 of the Indian Penal Code.

3.The prosecution case, in brief, is that on 18.10.2022 at around 3 O'clock, this petitioner came to the house of informant and took her husband with him, but till night, her husband did not return home and after ten days of the occurrence, the dead-body of her husband was found lying in Kunja Bigha Lakhni. Informant suspects that this petitioner committed the murder of her husband in order to grab Rs. 96,000/-, which was lent by her husband to this petitioner.

4. It is submitted on behalf of petitioner that informant is not eye-witness of the occurrence and only because of money

dispute, the petitioner has been falsely implicated in this case. The dead-body was recovered after ten days of the occurrence and in the *post-mortem* report, it has come that deceased died after 24 hours of the alleged occurrence.

5. However, learned A.P.P. for the State opposes the bail petition and submits that petitioner is named in the F.I.R. and there is specific allegation against him of committing murder of husband of informant. *Post-mortem* report shows *damage to muscle, organ & bone* and the cause of death has been opined by the doctor as *due to haemorrhage, shock and cardiac pulmonary arrest*.

6. Considering the aforesaid facts and circumstances as well as materials available on record, the prayer for anticipatory bail of petitioner is rejected.
