The petitioner has prayed for bail in a case registered
for the offence punishable under section 302 of the Indian Penal
Code.

As per allegation in the FIR, petitioner is husband of
the informant's daughter and he committed murder of his wife
by strangulating her with rope around the neck.

It is submitted by learned counsel for the petitioner
that petitioner has been falsely implicated in this case. General
and omnibus allegations have been levelled against him. There
are two children out of the wedlock of petitioner and the
deceased. In fact, deceased herself committed suicide. There is
no direct allegation against the petitioner. Petitioner is

The application for bail is opposed by learned APP for the State and learned counsel for the informant and submitted that cause of death is asphyxia due to ligature mark around the neck as opined by the doctor in postmortem report.

Having heard learned counsel for the parties and considering the facts and circumstances of the case, this court is inclined to enlarge the petitioner on bail.
