ORAL ORDER

4 05-04-2023 The learned counsel for the petitioner is directed to

remove all the defects pointed out by the office within one

month.

Heard learned counsel for the petitioner as well as

learned APP for the State.

In this case, the petitioner is seeking regular bail in

connection with Muffasil P.S. Case No. 282 of 2021, registered

for the offences punishable under Sections 304(B)/34 of the

Indian Penal Code.

As per allegation, the marriage of the informant's

sister was solemnized with the petitioner four years prior to

lodging of the FIR. The accused persons demanded Rs. 2 lacs as

dowry and due to non-fulfillment of dowry demand, they

assaulted the victim. His sister used to complain that the matrimonial inmates were threatening to kill her. He came to know that in the night on 14.10.2021, the accused persons killed his sister by strangulating her.

The learned counsel for the petitioner has submitted that the petitioner is innocent and has falsely been implicated in this case.

On the other hand, the learned APP and the learned counsel for the informant have opposed the prayer for bail and submitted that the stage of trial was called for from the court below, that has been received and annexed with the record. From perusal of the report, it appears that three witnesses have been examined as yet. The post-mortem report is available on the record and the name of the doctor, who conducted the post-mortem is Dr. Niraj Kumar, posted at Hospital, Nawada.

It appears that the trial is going on. In my view, the petitioner does not deserve the privileges of bail, which is hereby rejected.

The learned trial court is directed to take every endeavour to dispose of the case as soon as possible. It is expected that the trial shall be concluded within a period of six months.

Office shall ensure that all defects are removed by the petitioner within the stipulated time mentioned hereinabove, failing which, the matter shall be brought to the notice of this Court.
