CORAM: HONOURABLE MR. JUSTICE SUNIL KUMAR PANWAR
ORAL ORDER

3 15-02-2023 Heard learned counsel for the petitioner and

learned APP for the State.

The petitioner has filed the instant application

for grant of regular bail in a case registered for the

offences punishable under Sections 324, 326, 307 of the

Indian Penal Code and Section 27 of Arms Act.

The prosecution case in nutshell is that when

the informant was sitting near Muhane River, petitioner

opened fire on him which hit upon shoulder of the

informant due to which he sustained gun shot injuries.

It is submitted by learned counsel for the

petitioner that petitioner has been falsely implicated in

this. Both parties are agnates and there is no intention

of petitioner to fire upon the informant. There is an inordinate delay of 3 days in lodging the F.I.R. Moreover, the petitioner is in judicial custody since 24.05.2022. A statement has been in para 3 of the petition that petitioner has no criminal antecedent.

Learned APP appearing on behalf of the State vehemently opposed the prayer of the petitioner and submitted that petitioner has opened fire with intention to kill the informant. Injury report also supports the prosecution version of the case.

Having heard the learned counsel for the parties and considering the nature of allegation, this court is not inclined to enlarge the petitioner on bail and, as such, his prayer for bail stands rejected.

Learned trial court is directed to expedite the trial and conclude the same as soon as possible.
