CORAM: HONOURABLE MR. JUSTICE SATYAVRAT VERMA
ORAL ORDER

2 04-01-2023 Heard learned counsel for the petitioner and learned
A.P.P. for the State.

The petitioner seeks bail in a case registered for the
offences punishable under Section 302 of the Indian Penal
Code.

Learned counsel for the petitioner submits that
petitioner has antecedent of three cases and is a woman and the
informant alleges that petitioner accused his son of stealing her
mobile and assaulted him by bamboo rod causing injury on head
and doctor declared him dead on arrival.

Learned counsel for the petitioner submits that
petitioner has been falsely implicated in the present case, it is
next submitted that no doubt during the course of investigation
it has come that on account of dispute as the son of the

informant had stolen the mobile of the petitioner, a dispute arose on which the petitioner had thrashed the son of the informant, but thereafter it has also come in the investigation that the deceased left his house and went near the railway station where he was found in an injured condition and was taken to hospital.

Learned A.P.P. for the State opposes the prayer for bail of the petitioner and submits that from bare perusal of the order impugned, it would manifest that the deceased had head injury which gets corroborated from the allegation as alleged in the FIR.

In view of the submissions made by the learned APP , the Court is not inclined to release the petitioner on bail, however the petitioner would be at liberty to renew her prayer for bail after the examination of the informant in the trial.
