CORAM: HONOURABLE MR. JUSTICE SUNIL KUMAR PANWAR
ORAL ORDER

6 11-04-2023 Heard learned counsel for the petitioner and

learned A.P.P appearing on behalf of the State.

The petitioner is languishing in custody in a

case registered for the offences punishable under

Sections 304(B)/34 of the Indian Penal Code.

The accusation is of killing the daughter of the

informant by forcefully consuming her poison by her in-

laws family members including the petitioner.

It is submitted by learned counsel for the

petitioner that petitioner is innocent and he has falsely

been implicated in this case. The petitioner is husband of

the deceased and the deceased was suffering from critical disease and she died due to the disease. There is general and omnibus allegation against all the F.I.R named accused person including the petitioner. The petitioner is languishing in custody since 06.09.2021.

Learned A.P.P appearing on behalf of the State has vehemently opposed the prayer for bail of the petitioner and submitted that petitioner is husband of the deceased and he has fully responsible for the commission of murder of his wife. The viscera report of the deceased is at Flag-K which suggests that aluminium phosphide was detected which is commercial known as celphos. It is used as a grain preservative and is highly poisonous.

Considering the fact that petitioner is husband of the deceased and viscera report corroborates the case of the prosecution, this Court is not inclined to grant bail to the petitioner. The prayer for grant of bail to the petitioner stands rejected.

The Trial Court is directed to expedite the trial
and conclude the same at the earliest.
