ORAL ORDER

2 07-02-2023 Heard the learned counsel for the petitioner and

the learned APP for the State.

The petitioner apprehends his arrest for the
offences alleged under Section 302/34 of the Indian Penal Code,
registered in connection with Chandi P.S.Case No. 92 of 2022.

The son of the informant was going to railway
station driving his tempo. From opposite side, an e-rickshaw, in
which five persons were present, was collided with the tempo
driven by the son of the informant. Those five persons named in
the FIR including the petitioner, badly assaulted the tempo
driver, who died during the course of treatment.

The learned counsel for the petitioner has
submitted that the informant has compromised the case and the

post-mortem report shows that one hematoma and swelling were found on the head and face of the informant’s son. Except that, there is no injury on the person of the deceased.

The petitioner is named in the FIR. There is specific allegation that he along with his four associates badly assaulted the tempo driver resulting in his death.

In my view, it is not a fit case for anticipatory bail to the petitioner. It is accordingly rejected.
