The first medical examination was by a Medical Officer, whereas the second one by a Board, comprising of four Medical Officers. The finding of the two medical examinations are concurrent, in respect of the physical deficiencies.

4. Learned counsel for the petitioner submits that thereafter the petitioner has got himself examined at Shri Krishna College and Medical Hospital, Muzaffarpur (SKMCH), which has not found these discrepancies.

5. The process of selection in the opinion of the Court is to be conducted uniformly for all candidates. The strict standards of scrutiny, having regard to the nature of duties required of a Constable to serve in paramilitary force cannot be compromised, or in any way relaxed for any individual candidate, that also based on a medical examination conducted outside the process of selection.

6. The two reports are concurrent in the deficiencies found. There is no whisper of any specific allegation of *mala*
