ORAL ORDER

2 04-01-2023 The anticipatory bail application of the petitioner was dismissed as withdrawn *vide* Cr. Misc. No. 51248 / 2019 with observation that if the petitioner surrender before the court below and prays for regular bail, the court below may consider the regular bail application filed by the petitioner without being prejudiced to the fact that the present application has been dismissed as withdrawn. This order was passed on 16.11.2019 however, instead of seeking regular bail, the petitioner after more than 03 years have again moved this Court for grant of anticipatory bail.

Learned counsel for the petitioner submits that though no fresh development has taken place, however, relying upon some judgments of the Kerala High Court and Madhya

Pradesh High Court he submits that 2nd anticipatory bail is maintainable.

In view of the fact that earlier anticipatory bail application was dismissed as withdrawn and by this application the petitioner is trying to re-argue the matter, which in my opinion, is not permissible, accordingly, this application is rejected.
