CORAM: HONOURABLE MR. JUSTICE SANDEEP KUMAR
ORAL ORDER

4 17-02-2023 Heard learned counsel for the petitioners and learned APP for the State.

Learned counsel for the opposite party no. 2 has produced the final form submitted by the police in the court below, which is taken on record.

At the very outset, learned counsel for the opposite party no. 2 has pointed out that final form dated 20.07.2022 has been filed in this case finding the case to be false and exonerating the petitioners holding the dispute to be civil in nature. Neither of the parties is able to point out as to whether

any order has been passed by the court below after submission of final form i.e. whether final form has been accepted by the court below or cognizance has been taken by differing with the final form.

In these circumstances, this application has become infructuous and the same is disposed of with an observation that in case the court below differs with the final form and takes cognizance, the petitioners will be liberty to challenge the same in an appropriate proceeding.

Accordingly, this application is disposed of.
