ORAL ORDER

4 05-07-2023 Heard learned counsel for the petitioner and learned
APP for the State.

The petitioner has prayed for bail in a case instituted for
the offence under Sections 302/34 of the Indian Penal Code.

The allegation against the petitioner along with another
is of killing the son of the informant namely, Poshit Kumar Das by
pressing his throat through rope.

It is submitted by learned counsel for the petitioner that
petitioner has been falsely implicated in this case. She has
committed no offence. The petitioner is the wife of the deceased
and informant is father-in-law of the petitioner. She is languishing
in judicial custody since 21.04.2022.

Learned APP for the State has opposed the application
for bail and submitted that petitioner is named in the FIR and there

is specific allegation against the petitioner and another is that they pressing throat of the informant's son through rope, due to which he died. As per Postmortem report, the doctor opined that death was caused by Asphyxia due to strangulation, which corroborates the prosecution case. During investigation several witnesses have also supported the prosecution case and the petitioner has also confessed about her guilt.

Having heard the learned counsel for the parties and considering the nature of allegation, this court is not inclined to enlarge the petitioner on bail and, as such, his prayer for bail stands rejected.

The trial Court is directed to conclude the trial within its stipulated time, which is mentioned in its report.
