ORAL ORDER

2 23-03-2023 Heard learned counsel for the petitioner and learned
A.P.P. for the State.

The petitioner apprehends his arrest in a case registered for the offences punishable under Section 304(B) of the Indian Penal Code.

Allegedly, petitioner, along with his family members, tortured the informant's daughter physically and mentally. They also ousted her from her matrimonial home. They used to threaten the informant's daughter over dowry demand even in her *Maika* due to which she came under depression and committed suicide.

It is submitted by learned counsel for the petitioner that

petitioner is quite innocent and has committed no offence. No such occurrence as alleged ever took place. He has been falsely implicated in this case due to ulterior motive. The allegation levelled against the petitioner is not specific rather general and omnibus in nature. It is further submitted that the alleged occurrence took place in the house of the informant. Petitioner has no criminal antecedent as mentioned in para-3 of this application.

Learned APP for the State opposed the prayer for bail.

Considering the facts and circumstances of case, as the petitioner and his family members tortured her over the dowry demand and due to which she committed suicide, I am not inclined to enlarge the petitioner on bail. The prayer for bail of the petitioner is hereby rejected.
