ORAL JUDGMENT

Date : 29-03-2023

Learned counsel for the petitioner submits that the petitioner is a poor fellow. The engagement of STBAs (Station Ticket Booking Agents) at the Railway Station Forbesganj was cancelled by giving a 30 days notice. The period was earlier for a period of three years which has been cut short on account of the cancellation notice.

Learned counsel for the petitioner further submits that the petitioner ought to have been allowed to function for three years as originally directed.

I have considered the submissions.

Admittedly, it is a contractual engagement which has been cut short by giving a 30 days notice vide order dated 14.10.2022, cancelling the same on 12.11.2022. The petitioner, therefore, has a right for claiming damages, if any. However, no right exists for getting the contract.

As such, the writ petition for the said purpose is misconceived and is, accordingly, dismissed.
