ORAL ORDER

2 25-02-2023 The present petition has been filed challenging the order

of the District Appellate Authority passed in 2012. It is also

revealed that he had preferred a writ petition before this Court in

2008 which was withdrawn by him. After 2012, neither the

petitioner has approached this Court nor he has filed any appeal

before the State Appellate Authority. Ten years have already

passed from the date of passing of the order of the District

Appellate Authority. No reasons have come forward for the latches.

The writ petition is suffering from the gross of latches and delay and is accordingly dismissed.
