ORAL JUDGMENT

(Per: HONOURABLE THE CHIEF JUSTICE)

Date : 11-04-2023

The petitioner claiming to represent a Society called Shardhey Laxman Rao Inamdar Bihar Adhivakta Kalyan Grih Nirman Swawalambi Sahkari Samiti Limited seeks a direction to the respondent State to allocate land for development of colony for the lawyers on the same pattern as it has been allotted to other Housing Societies. The petitioner claims that there are

many lawyers living in rented houses within 10 kms. radius of the High Court who require own residences which could be constructed on the allotted land.

The petitioner, but for submitting that the Society is registered under the Cooperative Societies Act, does not disclose the objects of the Society nor the nature of the membership in it. The petitioner also does not have any contention regarding the lawyers, for whom the writ petition is filed, being from the marginalized sections of the society who require special protection and care by the State. The allotment of lands for building Housing Societies for targeted group of people is a policy decision of the Government which cannot be precipitated by judicial orders.

We are unable to find any public interest involved in the above matter and dismiss the writ petition *in limine*.
