ORAL ORDER

2 17-05-2023 Heard the learned counsel for the
petitioners and learned APP for the State.

This is an application for grant of anticipatory bail in connection with K. Nagar P.S. Case No.568 of 2022, registered for offences under Sections 147, 149, 341, 323, 353, 332, 333, 504 of the IPC.

The case of the prosecution, in brief, according to the informant, who was then posted as ASI in Srinagar Police Station, is that on

16.09.2022, on the occasion of Vishwakarma Pooja, he along with several police personnel was on duty at the place of worship, in Mahto Toa, Srinagar and at about 12:50 hours, he got information that some people were drinking liquor near the place of worship, whereupon he had gone to the said place of occurrence for verification, however, he was taken hostage by the accused persons including the petitioners herein and then he was beaten with sticks and *lathi* as also by fists and punches, resulting in him being grievously injured. It is also alleged that one home guard, who was present along with the informant, was also assaulted resulting in him sustaining serious injuries. Somehow, information about the said incident was sent to the police station, whereafter additional police force had arrived and then the accused persons had fled away.

The learned counsel for the petitioners has submitted that the petitioners are innocent, they have been falsely implicated in the present case and they are having a clean antecedent. The

learned counsel for the petitioners has further submitted that a general and omnibus allegation has been levelled against the petitioners, hence he be granted the privilege of anticipatory bail.

Per contra, the learned APP for the State has vehemently opposed the prayer for bail.

Having regard to the facts and circumstances of the case, considering the submissions made by the learned counsel for the parties and taking into account the materials available on record as also considering the fact that the accused persons including the petitioners herein had badly assaulted the police officials/personnel and had obstructed the police personnel from discharging their official duties, I do not find the present case to be a fit case for grant of anticipatory bail, hence the present petition stands dismissed.
