CORAM: HONOURABLE MR. JUSTICE PRABHAT KUMAR SINGH
ORAL ORDER

5 20-03-2023 Heard learned counsel for the petitioner and the
State.

Petitioner apprehends arrest in a case registered for
the offence punishable under Sections 193, 199, 200, 465, 466,
468, 471, 474, 120B of the IPC.

As per the prosecution case, this petitioner along with
other accused persons connive with each other and forged
documents and on the basis of forged documents, Durgesh
Sharma and others obtained bail order. Name of the petitioner
surfaced during course of investigation in the statement of co-
accused Durgesh Sharma.

It is submitted that petitioner is not named in the FIR
and only on the confessional statement of the co-accused, he has
been made accused in this case. There is no document to show

that this petitioner had played any role in obtaining the alleged fake bail order of co accused persons. Petitioner was never the advocate of the co-accused neither Parvikar nor in relation with the co-accused Durgesh Sharma. He is a practicing lawyer for more than 25 years.

However counsel for the state vehemently opposes the bail application and submits that this petitioner along with other accused persons, manipulated the FIR and by manipulation, the FIR got accused persons released on bail. Petitioner has got three criminal cases.

Considering the same prayer for bail of the petitioner is refused with direction to the petitioner to surrender and seek regular bail, which would be disposed of on its own merit without being prejudiced by this order.
