Apparently, the victim died due to effects of poisoning.

The post mortem report does not suggest that there are any injuries on the body of the deceased.

In such circumstances, considering the materials in the case diary, the gravity of the offence and the involvement of the petitioners therein, we grant anticipatory bail to the petitioners.

Accordingly, we direct that in the event of arrest the petitioners shall be released on bail upon furnishing a bond of Rs.10,000/- each, with two sureties of like amount each, to the satisfaction of the arresting officer and also be subject to the conditions as laid down under Section 438(2) of the Code of Criminal Procedure, 1973 and on further condition that the petitioners shall meet the Investigating Officer once a month till the conclusion of the investigation and on condition that the

petitioners shall appear on every date before the jurisdictional Court on and from the date fixed for appearance of the accused and in default the jurisdictional Court will pass appropriate order to secure the presence of the petitioners in Court including cancelling the anticipatory bail granted without further reference to this Court.

This application for anticipatory bail is, thus, allowed.
