The husband is in custody.

The victim died due to burn injuries. There are statements of the neighbours implicating the petitioner in the incident of torture and assault on the victim.

In such circumstances, considering the gravity of the offence and the involvement of the petitioners therein as transpiring from the materials in the case diary, we are unable to grant anticipatory bail to the petitioner.

Accordingly, prayer for anticipatory bail of the petitioner is rejected and the application being CRM (A) 483 of 2023 is dismissed.
