Heard the learned Counsels for the parties.

We have considered the materials on record. Statements of the witnesses prima facie disclose there was an illicit relationship between the petitioner and the deceased. This gave him motive to commit the crime. CDRs also show continuous telephonic conversations between them. Ligature was also recovered from the petitioner. In view of the aforesaid incriminating materials on record and gravity of offence, we are not inclined to grant bail to the petitioner.

The application for bail is, thus, rejected.
