A fire arm was recovered from possession of two persons.

Expert opinion suggests that, the fire arm was live and working.

Petitioner fled away from the spot.

There are materials in the case diary implicating the petitioner.

In such circumstances, considering the gravity of the offence and the involvement of the petitioner in the incident, we are unable to grant anticipatory bail to the petitioner.

Accordingly, prayer for anticipatory bail of the petitioner is rejected and the application being CRM (A) 1367 of 2023 is dismissed.
