It is submitted on behalf of the petitioners that they are in custody for more than a year. It is further submitted chemical examiner's report has not been filed.

Chemical examiner's report is placed before us.

Statements of witnesses including contemporaneous document i.e. seizure memo disclose recovery of a large volume of *Yaba* tablets containing *methamphetamine* from the petitioners. Chemical report supports the prosecution case. Under such circumstances and in view of the statutory restrictions under Section 37 of the NDPS Act, we are not inclined to grant bail to the petitioners.

The application for bail is thus rejected.
