**Sri Bijan Paul Chowdhury
versus
Sri Bhuban Ghosh**

Mr. S. Ghosh Chowdhury. ... for the petitioner.

Learned advocate appearing on behalf of the petitioner appears and submitted that though the revisional application has been filed for quashing the proceeding but trial of the case has already been initiated and complainant of the case has been examined in chief.

Petitioner may be given opportunity to raise objections in this revisional application at the time of final hearing of the case.

In the aforesaid view of the matter, this revisional application, in my opinion, is not sustainable in law.

The revisional application stands disposed of giving a right to the petitioner to raise the issue taken in this revisional application before the trial at the time of final hearing.

With the observation the revisional application stands disposed of.

Connected application, if there be any, also stands disposed of.

All parties to this revisional application shall act on the server copy of this order downloaded from the official website of this Court.
