I have considered the contents of this revisional application and I find that the case was initiated in the year 1998. More than 25 years have passed. The case was registered under Section 302 of the Indian Penal Code.

Having regard to the nature and gravity of the offence, I am of the opinion that no interference is called for.

Accordingly, the revisional application being CRR 1143 of 2021 is dismissed.

All pending connected applications, if any, are consequently disposed of.
