....For the State.

Pursuant to the direction given by the coordinate Bench on 5th August, 2022 the State submitted a report and from the said report it appears that the accused before the learned Trial Court, respondent before this Court in the appeal died on 12th November, 2019.

This appeal challenges the order of acquittal passed by the learned Trial Court. With the death of the accused/respondent, the appeal has lost all its relevance and thus disposed of being infructuous.

Copy of the order sheet and lower Court records be sent down to learned Trial Court.
