Moumita Chakraborty
Vs.
The State of West Bengal & Ors.

Mr. Sudipta Dasgupta
Ms. Dipa Acharyya
Mr. Soumik Dey
.....For the Petitioner

Mr. Sirsanya Bandopadhyay
Ms. Tapati Samanta
.....For the State

Mr. Amitabh Chowdhury
Mr. Ratul Biswas
Mr. Kaushik Chowdhury
.....For the Primary Board

The petitioner is qualified to appear in the personality test to be held between 15th May, 2023 and 17th May, 2023 but she has made a mistake in filling up the form which is required to be rectified. In the form she has stated her year of qualifying that is TET 2022 whereas she actually qualified in TET 2017. She wants to rectify this mistake but the Board has stated that now there is no such provision for rectifying the mistake.

I have heard and considered the submissions of the parties but I feel that for making such a silly and inadvertent mistake a person's opportunity to appear in one interview should not be curtailed.

Therefore, I direct the President of the West

Bengal Board of Primary Education to take appropriate steps so that the petitioner can rectify the mistake and if it is difficult to rectify it in the online system, the petitioner should be allowed to file one affidavit disclosing her year of qualifying that is TET 2017 along with the supporting documents on the basis of which the petitioner should be allowed in the interview and if she is successful in the interview, her name should be recommended for the teacher of a primary school. She will be allowed in the interview, if she is otherwise eligible.

The petitioner is directed to approach the Board on Monday for rectification of this mistake.

The parties will act on the basis of the gist of this order to be communicated by the petitioner.

With the above observation and direction the writ petition is disposed of.
