Affidavit of service filed in Court today is kept
with the record.

The petitioners allege that the private
respondents are making construction over a water
body without sanction and without obtaining
permission for conversion of the classification of the
land.

Learned advocate representing the private
respondents and the Municipality submits, upon
instructions that, the classification of the land in
question stood converted to *Bastu* by the Block Land
and Land Reforms Officer, Uluberia-II on 19.01.2023
and building permit was issued by the Municipality for

raising construction over the subject plot of land in February, 2023.

In view of the aforesaid submissions and the relevant documents in support of such submissions, the allegations of the petitioners remain unsubstantiated.

Accordingly no relief can be granted to the petitioners in the instant case.

The writ petition fails and is hereby dismissed.
