Mr. Nilay Baran Mandal

... for the DPSC, Purulia

The Chairman of the District Primary School Council, Purulia has filed one report affirmed on May 8, 2023, which is taken on record.

From the said report it appears that when the petitioner applied for transfer, the pupil-teacher ratio of the school was 31:2 and present it is 29:2. If one teacher is transferred from the school, the pupil-teacher ratio would go much above the statutory rule and not only that it is not possible for a single teacher to run a primary school.

Therefore, I dismiss the writ application at this stage.
