....for the State

In an incident of assault, the injured suffered an injury with a sharp object on the neck. There is a cut injury of about 8 to 10 centimeters on the right side of the neck.

The petitioner stands implicated in the incident of assault.

Considering the nature of injury suffered by the petitioner and the involvement of the petitioner in the incident and the materials in the case diary, we are unable to grant anticipatory bail to the petitioner.

Accordingly, prayer for anticipatory bail of the petitioner is rejected and the application being CRM (A) 1959 of 2023 is dismissed.
