Heard learned lawyer for the parties.

We have considered the materials on record. 25 bottles of phensedyl syrup containing codeine phosphate was recovered from the petitioners. Charges have been framed.

Under such circumstances and in view of the statutory restrictions under section 37 of the NDPS Act, we are not inclined to grant bail to the petitioners.

Accordingly, prayer for bail is rejected.

However, we direct the trial court to conclude the trial by fixing schedules at regular intervals preferably within one year from the next date fixed for recording evidence without granting unnecessary adjournment to either of the parties.

Parties shall communicate this order to the trial court for necessary compliance.
