Three writ petitions are taken up for consideration analogously as they involved similar issues.

By the impugned order in the three writ petitions, the Director of Health Services, Government

of India was directed to complete the entire exercise of consideration of the applications submitted by the original applicants in response to the notice dated August 16, 2012 followed by Addendum dated August 21, 2012 for promotion of Staff Nurse Grade II in accordance with Memorandum dated September 1, 1979 in light of the observations made by the Tribunal in the body of the judgment.

State is the writ petitioners in three writ petitions.

Learned Senior Advocate appearing for the writ petitioners/State submits that, the Director of Health Services considered the applications submitted by the original applicants and passed an order dated August 9, 2023 with regard thereto.

A copy of the order dated August 9, 2023 is made over by the learned Senior Advocate for the State to the learned advocate for the private respondents in Court.

Since, the Director of Health Services decided on the application of the original applicants, we find no ground to interfere any further with regard to the impugned order.
