...for the State.

1. A co-ordinate bench passed several orders requiring a Standard Operating Procedure (SOP) for case management.
2. Legal Remembrancer was requested by the co-ordinate bench to prepare a Standard Operating Procedure. A Standard Operating Procedure was prepared, which was considered by the co-ordinate bench. Several directions were issued by the co-ordinate bench.
3. Today, learned advocate appearing for the State submits a report, which incorporates a Standard Operating Procedure which according to the State is an improved version of the earlier operating procedure.
4. We find that, the Standard Operating Procedure prepared by the State does not incorporate user of digital platforms.

5. It is suggested that State should explore the possibility of the SOP in the digital platform so that access to the same may be obtained by the stakeholders.
