A report has been filed by the District Inspector of Schools as to the pupil-teacher ratio of the concerned school from where the petitioner wants to be transferred. There are 66 students and 2 teachers in the primary school. If the present petitioner is transferred, then the pupil-teacher ratio will come to such a low that the school cannot be run at all.

Therefore, I do not entertain this application at this stage.

The writ application is dismissed.

The report of the District Inspector of Schools, Primary Education, Purulia dated 20.02.2023 is kept on record.
