W.P.A. 13838 of 2007

Manindranath Sarkar

Vs.

The State of West Bengal & Ors.

None appears for the petitioner even at the time of second call. No accommodation has been sought for either. This is a writ petition of the year 2007 praying for an order allowing the petitioner to exercise the option to switch over from CPF Scheme to GPF Scheme. It appears that the petitioner is not interested to proceed with this writ petition any further.

In view thereof, the writ petition stands dismissed for default.
