W.P.A. 14214 of 2007

Satya Kumar Bera

Vs.

The State of West Bengal & Ors.

None appears for the petitioner even at the time of second call. No accommodation has been sought for either. This is a writ petition of the year 2007 praying for interests on account of delayed payment of gratuity. It appears that the petitioner is not interested to proceed with this writ petition any further.

In view thereof, the writ petition stands dismissed for default.
