Re: CAN 1 of 2023

Sufficient reason has been shown in the restoration application for restoring WPA 16176 of 2022 which was dismissed for default on 25.01.2023. The restoration application was filed on 28.02.2023.

Though there is no application for condonation of delay for the delay of four days, I condone the same delay without the application.

Re: WPA 16176 of 2022

Let this matter be restored in its original file and number.
