WPA 17542 of 2021

Bhaskar Dey

-Vs-

The State of West Bengal & Ors.

Mr. Debabrata Saha Roy,
Mr. Neil Basu,
Mr. Sankha Biswas

... for the petitioner

Mr. Samrat Sen,
Ms. Manali Ali

... for the State

The contents as well as the prayers in the writ petition are vague and lack clarity. The petitioner claims to be the Secretary of Speech and Hearing Association of India and seeks a direction on all the respondents to create a proper structure in the field of Audiology and Speech Language Pathology and also create a practical clinical guideline in that particular domain. The words used in the order of the Court “the prayers being used in indecipherable words”.

Although the petitioner simply seeks a direction on the respondents to consider a representation made by the petitioner on 12th August, 2021, even that prayer cannot be granted without the Court being satisfied that the petitioner has a case. Not being satisfied on that count, WPA 17542 of 2021 is dismissed.
