Re: Added Respondent No. 306

I have tallied the original writ application of the petitioner being W. P. 18318 (W) of 2017 with a plain copy handed over to me on 5th January, 2023 and found that it is the same plain copy which was handed over to me while I was dealing with the added respondent no. 306.

The writ application being WPA 18318 of 2017 is allowed as the relief has been granted on 05.01.2023.
