Shibaram Dhang
Vs.
The State of West Bengal & Ors.

Mr. Pralay Bhattacharyya
Ms. Tanusree Ghosh
Mr. Komal Shaw
.....For the Petitioner

The petitioner has approached this court regarding deduction of money from his retiral benefit. Now after such long time (it is of the year 1999) I cannot direct the District Inspector of Schools or any other authority to look into the matter afresh because of the passage of time.

Therefore, I do not entertain this writ application.

The writ application is dismissed.
