In view of the pictures annexed to the contempt petition starting from page nos. 312 to 316, which clearly shows that the entire structure was demolished and also having regard to the fact that such demolition has taken place prior to 4<sup>th</sup> July, 2022, we do not find any violation of our order dated 4<sup>th</sup> July, 2022. These acts are all prior to our order dated 4<sup>th</sup> July, 2022.

Accordingly, the contempt application stands dismissed.
