The report of the District Inspector of Schools as was directed by this court on 09.01.2023 says that the student-teacher ratio of the school is 38:1 and if the present petitioner is transferred, it will become 45:1. This 45:1 ratio is much above the statutory pupil-teacher ratio for a primary school.

Hence, the writ application is not entertained and is dismissed at this stage.

The report of the District Inspector of Schools dated 16.02.2023 is kept on record.
